"For me, one of the biggest thrills at the USA Film Festival was meeting the great Audrey Hepburn."

--Steve Casey, USAFF Member since 1970s

"Thank you for the preview of INSIDE OUT with Pete Docter and Jonas Rivera on stage. Our kids loved the film and the chance to talk with the filmmakers after the movie made the experience really special. Our kids haven't stopped talking about the evening, but I think the parents in the audience loved it more than the kids."

--The Stewart family, USAFF members since 2010

"One of the most powerful experiences I have ever had in a theater was at the USA Film Festival screening of the film RESTREPO, presented by filmmaker Tim Hetherington and soldiers from the actual unit in Afghanistan where the documentary was filmed. Several of the stationed soldiers family members were also in the audience that night. I will never forget the experience and the feelings we all shared."

--Suzanne Felber, USAFF Member since 1984

"Thank you for staging the Tribute to Studio Ghibli in January. Seeing all of my favorite anime films from the past twenty-five years on the BIG screen in brand new 35mm prints was just incredible and getting to see the U.S. premiere of THE SECRET WORLD OF ARRIETTY was amazing!"

--Paul J. Tran, USAFF Member since 2004
